The trees are all lit up
I got the egg nog and rum in the car,
I wish this Christmas will last forever
My snowman looks like Snooki,
And made extra special cookies for you
Can you steer your sleigh all right?
Are you sure you're good to fly tonight
Cuz I won't get shit next year if you die

So rudolf you know, your nose is as red as his eyes
We don't want the kids to miss this
But that's what you get with the mile high Christmas
(let go let go) of the reigns as we fly
I don't want the kids to miss this
But that's what you get with the mile high Christmas

Angels in the snow
Time to go
Now calling in for dinner
Wipe the snow off my nose
I wish this Christmas would last forever

When santa comes in town
He gets a hug and a pound from me
Can you steer your sleigh all right?
Are you sure you're good to fly tonight?
Cuz I won't get shit next year if you die

So rudolf you know, your nose, is as red as his eyes
We don't want the kids to miss this
But that's what you get with the mile high Christmas
(let go let go) of the reigns as we fly
I don't want the kids to miss this
But that's what you get with the mile high Christmas

Kyle: PRESENTS! LET'S OPEN THIS SHIT UP!

So rudolf you know, your nose is as red as his eyes
I don't want the kids to miss this
but that's what you get with the mile high Christmas
