I've got my sight set on you and I'm ready to aim
I've got a heart that will never be tamed
I knew you were something special when you spoke my
name
I can't wait to see you again

I've got a way of knowing when something is right
I feel like I must have known you in another life
'Cause I felt this deep connection when you looked in
my eyes
Now I can't wait to see you again

The last time I freaked out I just kept looking down
I st-st-stuttered when you asked me what I'm thinkin'
'bout
Felt like I couldn't breathe, you asked what's wrong with
me
One of my friends said, "You're just being crazy"

The next time we hang out I will redeem myself
My heart can't rest till then, woah, woah I
And I can't wait to see you again

I got this crazy feeling deep inside
When you called and asked to see me tomorrow night
I'm not a mind reader but I'm reading the signs
That you can't wait to see me again

The last time I freaked out I just kept looking down
I st-st-stuttered when you asked me what I'm thinkin'
'bout
Felt like I couldn't breathe, you asked what's wrong with
me
One of my friends said, "You're just being crazy"

The next time we hang out I will redeem myself
My heart can't rest till then, woah, woah I
And I can't wait to see you again

I've got my sight set on you and I'm ready to aim
I'm ready, I'm ready, I'm ready, I'm ready
I'm ready, I'm ready, I'm ready, I'm ready

The last time I freaked out I just kept looking down
I st-st-stuttered when you asked me what I'm thinkin'
'bout
Felt like I couldn't breathe, you asked what's wrong with
me
One of my friends said, "You're just being crazy"

The next time we hang out I will redeem myself
My heart can't rest till then, woah, woah I
And I can't wait to see you again
