(-what?-) [fades in screaming]

-let's go-oh-oh-oh!-

And now it's easier than you,
I thought that it would be,
And now i swear you know.

(chorus)

So just stay with me, please girl,
You know that we won't feel this way,
Forever, all night long.

So just stay with me, please girl,
You know that we won't feel this way,
Forever, all night long.

(end chorus)

Everyone's breaking down, i swear,
Corner of my eyes i stare,
And you know i'll take you there,
And you know i'll take you there.

-cause i got this feeling-
Do you know i'll stay?
-when i know you're feeling-
With you everyday?
-and i can't stop thinking-
You're getting all you see.
-about how you move baby-

(chorus)

So now their eyes are on us,
Making sure we don't fall in love.
See it's funny cause now we're there.
Now we're there.

-cause i got this feeling-
Do you know i'll stay?
-when i know you're feeling-
With you everyday?
-and i can't stop thinking-

You're getting all you see.
-about how you move baby-

-let's go,-
-heart's beating,-
-but i'll take it slow,-
-as you're looking so good.-

(chorus)
