And see,
I told you so,
It's nothing like what you thought would happen.

Now your all alone,
Just keep this in mind,
It's all been so simple.

Yes you told me so,
I think you should know,
That we're all alone.

You and I,
Are like,
Everything we wanted.

And see you're

I should tell you know it's all I've got
And please stick around,
I'll make you fall in love with me.

And see,
I told you so,
It's nothing like what you thought would happen.
And now,
You're all alone,
Just keep this in mind,
It's all been so simple.

And yes you told me so,
I think you should know,
That were all alone now

Everything we wanted

And I should tell you now,
It's all I've got
And please stick around,
I'll make you fall in love with me.

And I should tell you now,

It's all I've got
And please stick around,
I'll make you fall in love with me.
