Nice shoes
Wanna get to know you
How can I get you alone?
Lights flash
Move fast
Tell me how can I get into your heart?

She got a bitter bite but I'm a sweet talker
Diamonds in her eyes
And I'm a shine for her

Waiting for you, love
Waiting to feel you, love
Waiting for you

We don't have to fall in love
We don't have to feel to touch
We can do it for the rush
I'm waiting for you

Bodies crash with no reaction
She bites my tongue so I don't say too much
She was made for lust
Any more than that would be dangerous

She got a bitter bite but I'm a sweet talker
Diamonds in her eyes
And I'm a shine for her

We don't have to fall in love
We don't have to feel to touch
We can do it for the rush
I'm waiting for you

We don't have to fall in love
We don't have to feel to touch
We can do it for the rush
I'm waiting for you
Waiting for, waiting for you

You're a fool if you dance
You're a fool if you don't

You're a fool either way
So don't tell me you won't
So pick it up!

You're a fool if you dance
So pick it up!

Waiting for you, love
Waiting to feel you, love
Waiting for you

We don't have to fall in love
We don't have to feel to touch
We can do it for the rush
I'm waiting for you

We don't have to fall in love
We don't have to feel to touch
We can do it for the rush
I'm waiting for you
Waiting for, waiting for you
