"Fly Into This Night"

Visit "[Fly Into This Night](#)" on MotoLyrics.com

First the high and then a low
Getting ero-mantic vertigo
In the rain then the drought
Thats what loving you is all about

Fly, fly into this night
And rectify my dreams
I, I love you more than life
Though seldom Im serene

Feel the cold in the heat
Im questioning my blind fidelity
Love is sweet love is tart
Loving you is a crime when were apart

Fly into this night
And still my fantasies
I love you more than life
Through seldom Im at peace
