Mom of my dad woman so sad
Oh grannys gonna sleep in peace
Grandmommy of children you love
Oh granny one more minute with me
Walk my granny back home to her house in the sky

Im gonna walk my granny back home
Buon giorn goodbye
Oh virgin of life widow and wife

My nanas heart was torn in two
Cause granddaddy died and he bleeds for his lonely
bride
Oh nana I make a prayer for you

Walk my granny back home to her spouse in the sky
Im gonna walk my granny back home
Buon giorn goodbye
Walk my granny back home to her house in the sky
Im gonna walk my granny back home
Buon giorn goodbye
Buon giorn goodbye
Buon giorn goodbye
So long goodbye
Oh granny you gonna sleep in peace
