Paddlin down the michigan
Catchin all the fish I can
Breathin holy air in my canoe

Groovin down superior
Takin taboos easier
Talkin with the lord in my canoe
Send me no pillows I can dream on

Ive seen all the nightmares I can bear to see
Gotta find the river to your kingdom in my canoe

Many moons on erie lake
Not a bottle of beer to break
Heaven knows I try best I can do

Maybe lake ontario
Gonna take me where I hope
Got to find the lord in my canoe

Paddlin down the michigan
Catchin all the fish I can
Breathin holy air in my canoe
Send me no willows I can weep on
Ive done all the crying I can bear to do
Lookin for the tributary to your kingdom
In my canoe.
