Talk about my ps and qs and ladies I know
I never cared for parties with a ten woman show
Im a one woman lover Im a gentleman
I dont need no other cause its that I am

Darlin my dear Im a whole man for you
Well laugh about my teas for twos and ladies Ive kissed
Ive never charished harems dont make love to no list
Im a one woman lover Im a regular ham
I dont need no other cause its that I am

Darlin madame I was born berserk for you
Talk about my birds and bees and babies Ive known
Ive never cared for frees for threes lets do it alone
Im a one woman lover Im a gentleman
I dont need no other cause its that I am

Darlin my dear let us reant one night for two
Ooooo yea.
