Ive been slavin my mind just to try to find a way out
And its been on my brain just to put the blame on you
Ive gotta find a way just to make my day a useful one
Cause Im a front row ticket to a nothin show
Ive got one free pass just to let me know

Hey babe its a stagnant time
But it takes more than that to hang my coat and hat
and sleep
Ive gotta sweat once more till my bones feel sore
I tell you why

Cause Im a front row ticket to a nothin show
Ive gotta crash this prison and not let go
My hearts on a sun cloud screamin for progress
cause I want work
Ill keep slavin my mind just to try to find some kind of
light

Im gonna burn this damn ticket and think of tomorrow
And I wont live this long life in stagnation no more
My hearts on a sun cloud screamin for progress
Cause Im a man
And mans gotta work
