Is anybody out there?
Theres no knock on my door
No one comes anymore
To this island

Trapped on memory lane
Caught in yesturdays rain
In the silence

I have looked in your eye
Calling your name outloud
But you look right through me
Like a ghost in a crowd

Just like a total stranger
Behind those walls of stone
Ive been a missing person
Location unknown

Living like a total stranger
A nowhere man
You see I couldnt get a listed number
Living in a now mans land

Well did you take me for dead
Did you know I still bled
With desire

Hey Im talking to you
But the words dont come through
On this wire

Im a voice in the dark
Crying out to the ghost
So I reach out my hand
Like a man overboard

Just like a total stranger
Behind those walls of stone
Ive been a missing person
Location unknown
Living like a total stranger

A nowhere man
You see I couldnt get a listed number
Living in a no mans land

Im a voice in the dark
Crying out to the ghost
So I reach out my hand
Like a man overboard

Just like a total stranger
Behind those walls of stone
Ive been a missing person
Location unknown

Living like a total stranger
Does anybody understand
You see I couldnt get a listed number
Living in a no mans land

Is anybody out there?
Is anybody out there?
Is anybody out there?
