Well, bring on the band
And the melody man
Let the mockingbirds sing along
It's a wonderful life
And the night is so young

Well, ladies and gents
The gala presents
A symphony in disguise
It's a wonderful thing
The clouds in your eyes

And I'll do my song and dance for you this night
I'll sing you things you came to hear
And I'll do my song and dance for you this night
I'd walk a mile to see you cheer, oh

Well, life is a song
That goes on and on
From Pittsburgh to Peru
It's a wonderful world
Here with you

And I'll do my song and dance for you this night
I'll sing you things you came to hear
And I'll do my song and dance for you this night
I'd walk a mile to see you cheer, oh

This is my song and dance for you this night
I've walked a mile to see you cheer, oh
