For your love  
For your love  
When I think about those nights in Montreal  
I get the sweetest thoughts of you and me  
Memories of love above the city lights  
Ooh, I've tried so hard to take it  
But alone my heart won't make it  
I just wanna stop  
And tell you what I feel about you babe  
I just wanna stop  
I never wanna live without you babe  
I just gotta stop  
For your love  
For your love  
For your love  
For your love  
When I think about the way the world must turn  
the world must turn  
I get the saddest thoughts for you and me  
you and me  
Memories of life and times go on and on  
Whoa, I've tried hard to forget it  
But alone my mind won't let it

I just wanna stop  
And tell you what I feel about you babe  
I just wanna stop  
The world ain't right without you babe  
I just gotta stop  
For your love  
Ooh, I've tried so hard to take it  
But alone my heart won't make it  
I just wanna stop  
And tell you what I feel about you babe  
I just wanna stop  
The world ain't right without you babe  
I just wanna stop  
For your love  
Stop  
hoo, hoo, hoo  
I just wanna stop  
hoo, hoo, hoo

I just wanna stop  
And tell you what I feel about you babe  
I just wanna stop  
The world ain't right without you babe  
I just wanna stop  
hoo, hoo, hoo  
I just wanna stop
