"Keep On Walking"

I've got to keep walking
To someone I love
This empty heart's in jeopardy
Living without you

It seems I keep falling
For someone somewhere
One single hope of someone real
Keeps me hangin' on

Now I really don't mind that it's been so long
If somewhere in this world you exist
And it really won't seem like it's been so sad
Just as long as I know I've been missed

And time is on my side
'Cause somehow I know you're there
Baby I'm talking about someone like you
I love you in my loneliness and it keeps me walking on

I've gotta keep walking
To someone I love
My faith in your reality
It keeps me hangin' on
