Talk about my p's and q's and ladies I know
I never cared for parties with a ten woman show
I'm a one woman lover I'm a gentleman
I don't need no other cause it's that I am

Darlin' my dear I'm a whole man for you
Well laugh about my tea's for two's and ladies I've
kissed
I've never charished harems don't make love to no list
I'm a one woman lover I'm a regular ham
I don't need no other cause it's that I am

Darlin' madame I was born berserk for you
Talk about my birds and bees and babies I've known
I've never cared for free's for three's let's do it alone
I'm a one woman lover I'm a gentleman
I don't need no other cause it's that I am

Darlin' my dear let us reant one night for two
Ooooo yea.
