Coke machines on the ho chi minh trail
Russian spies shopping at bloomingdales
Killer bees swarming up the rio grande
Hey baby where'd you get that tan
Rome burns as we dance cheek to cheek
Titanic's sinking but ooh do we look chic
New york city's got the hong kong flu
And I can't take my eyes off you
Mx gi joe
Rsvp ufo
Abcia
I still want to know who shot jfk

Let's dance
To the rhythm of romance
Let's swing
'neath the stars above
C'mon let's dance
To the rhythm of romance
Let's kiss
Let's fall in love

Johnny woke up from his american dream
Rich man poor man and a desert in between

Crystal chandeliers hangin' by a thread
We're in the pink baby just two trillion in the red
And I hear gabriel blowing his saxophone
Through a great big hole in the ozone
Who cares it the sun don't rise
When I look in to your ultraviolet eyes
That's life, this is war
I took it on faith, can't take it anymore
Old, young, yin and yang
We'll all go together in the next big bang
Boom shug a lug a lug a boom

Let's dance
To the rhythm of romance
Let's swing
'neath the stars above
C'mon let's dance

To the rhythm of romance
Let's kiss
Let's fall in love
