Hangin' out in New Orleans, diggin' on the Bourbon
scenes
Just feelin' the vibes of the oncoming days
There ain't no Texan chaparral to hide away all those
Southern belles
Thinking about that Georgian gal conjures a craze

Love is a night
Who really cares if it's wrong or it's right
And all that I care
You've been some life and love I could share

Got a thing in Tennessee, she ain't about to marry me
There's never been a time she says yes and means no
Had a case in carolin' from makin' love on rosy wine
It's strange how they come and they go

Love is a night
Who really cares if it's wrong or it's right
And all that I know
You've been some life and love on the road

Love is a night
I only know the moment is right
As for the ladies I've known
They mean so much when you're all alone
