Who's that a-knockin' at my door tonight?
Leave me alone 'til there's morning light

You live and learn, you make mistakes
You can't imagine why
The fire burns for heaven's sake
Look out for the evil eye

Who was that damsel with that wicked stare?
Get off my case and take your sins elsewhere

You love and learn, you cross that bridge
You want to pacify
The tables turn and you've dug your ditch
Look out for the evil eye

Oh look out!
Oh look out!
I said look out!
I said look out!

You live and learn, you make mistakes
You wonder how and why
The fire burns for heaven's sake
Look out for the evil eye

Oh look out!
Oh look out!
I said look out!
I said look out!
