Namari no sora omoku tarekomi
Mashiro ni dayono n da taiyou ga kukakete
Mimi nari wo togaraseru

The leaden sky is a heavy sign
The sun is broken up by the bright white dregs
The ringing in my ears is sharp

Hyrururi hyururi
Hikui tsubame ga hachi no jirazote
Biru no tani wo kakeru
Mojiki ni yutachi ga kuru

Quickening, quickening
The low-flying swallow makes a figure of eight
As it flies over the valley of buildings
An evening shower is on it's way

Don'ten no michi wo kasa wo wasurete
Aruku kanojo wa ame ni obieteru
No de boku mo yowamushi burasagete
Sora wo aoku

On the path of cloudy weather, a girl who forgot her
umbrella
Is fearfully walking in the rain
Because I am also stuck in cowardice
I look up to the sky

Achira kochira anyo wa jiozu
Kohiya ni yote hitoyasu mikimetara
Kaerenai kaeranai

Over there, over here: a skilful toddling walk
Crowding around the coffee shop, looking for a final
rest
I can't go back, I can't go back

Don'ten no michi wo burari bura bura
Aruku futari wa ashikaru no gotoku
Kiken suki no dareka no furi wo suru shoushin
monodono

On the path of cloudy weather, aimlessly swinging back
and forth
The two of us are walking like foot soldiers
A timid heart is a disadvantage to someone who likes
danger

[Instrumental]

Don'ten no michi wo kasa wo wasurete
Aruku kanojo wa ame ni obieteru
No de boku mo yowamushi burasagete
Sora wo aoku

On the path of cloudy weather, a girl who forgot her
umbrella
Is fearfully walking in the rain
Because I am also stuck in cowardice
I look up to the sky
