Lonely days and restless nights  
Wishing you were here by my side  
Now all that I have is a photograph, yeah  
Throughout the day I dream of you  
And some days I don't know what to do  
Tell me what would it take, for you to come home  
Cause all I want for christmas is you  
All I want for christmas is you  
Come home, meet me under the mistletoe

Didn't see things from your point of view  
That's how I ended up losing you  
Heard you buy just wasn't hearing you  
But now you're gone  
Despite the gifts underneath my tree  
The perfect gift would be you and me  
Tell me what would I have to do, for you to come home  
Cause all I want for christmas is you  
All I want for christmas is you  
Come home, meet me under the mistletoe  
Whoa, christmas ain't the same without you, whoa

Cause all I want for christmas is you, yeah  
All I want for christmas is you  
Come home, meet me under the mistletoe.
