**\*Verse One\***

Nine O' clock, All alone, Paging you  
Wishing you'd come over, my place, after while, Let me know  
We can just keep talkin 'bout the last time, you were here  
What we did (no sleep till morning), Only bubble baths and back rubs  
Hit me back  
Girl I hope, you hurry 'cause

**\*Chorus\***

I'm so anxious  
So meet me at 11:30, I love the way you're talkin' dirty  
Said, I'm so anxious  
Girl could you quit this stallin', you know I'm a sexaholic  
(Repeat)

**\*Verse Two\***

It's 10:10, where you been?  
Did you get my message?  
(Your expression is telling me that you've been thinkin' the same thang)  
The same thang I've been thinkin'

You say you're workin, well hit me just as soon as your shift, is over  
And i'll be waitin, 'cause I can't sleep for reminscin  
About you and what we do, Hit me back and hope you hurry 'cause

**\*Chorus\***

**\*Bridge\***

Said as soon as you hit the dor, I'ma pull you on the floor  
And before we get to the bed, Baby back up every word you said  
And before we, got to hit the lights  
And before we start the candelights  
Baby girl, I wanna bump and grind

This is something that's been on my mind

\*Chorus\*
