Baby, I need that
I need it
You know I want
Now give it to me

Cuz I am Ginuwine
And I got skills
And I am Ginuwine
You know I'm for real

Baby,
Baby don't you know
Baby, I love
Baby,
Baby don't you know
I love you
Oh yes, I do

I am Ginuwine
Yes I am
I am
I am Ginuwine
Baby
Baby

Baby,
Baby don't you know
Baby, I love
Baby,
Baby don't you know
I love you
Oh hell yes, I do

I am in so love
With my baby
With my baby
With my baby

I am Ginuwine
Hear me out
Today, I'm in love

In love with you

Baby don't you know
Baby don't you know
Baby don't you know
Baby don't you know

Baby,
Baby don't you know
Baby, I love
Baby,
Baby don't you know
I love you
Oh my God, I do

I do
I do
I do
I'd do it for you
Baby

Baby don't you know
I love you
Baby
Baby don't you know
I love you
Baby, I
I do

I am Ginuwine
And I love you
And I am your man
Forever, and ever
Baby don't you know
