I used play alotta silly games.  
You felt the same.  
We act like it's okay.  
The things you shouldn't say.  
They thrown away.  
Really you should have saved them.  
And now that I'm changing.  
I'm just movin on.  
You try to tell me you were wrong.

[Indian Singing]  
Baby I used to love you so.  
[Indian Singing]  
Never thought I'd let you go.  
[Indian Singing]  
Baby I used to love you so.  
[Indian Singing]  
Never thought I'd let you go.  
[Indian Singing]  
Baaaby.  
I don't believe it. no.  
Say you love me.  
No no no, no.  
No no no no nooo.

I really don't let it bother me.  
Baby you will see.  
I'm sittin on the top of my game.  
Now you wanna check with me.  
And tell me that you see.  
So much love in me.  
Now so hard to say it.  
Lord knows I do.  
I've gotta find a way, over you... girl.

[Indian Singing]  
Baby I used to love you so.  
[Indian Singing]  
Never thought I'd let you go.  
[Indian Singing]  
Baby I used to love you so.  
[Indian Singing]

Never thought I'd let you go.

[Indian Singing]

Baaabyy.

I don't believe it. no.

Say you love me.

No no no, no.

No no no nooo.

You playin these games, you playin these games, you  
playin these games.

And I don't believe it, don't believe it, don't believe it,  
no.

Your tellin me lies, your tellin me lies, your tellin me  
lies.

And I don't believe it, don't believe it, don't believe it,  
no.

[Indian Singing]
