Ooh
Well, well, well

Oh girl, I know
It feels like you're alone
But more have gone
Through the same thing

The pain, I know
It seems too much to bare
But time heal wounds
I know it don't seem fair

Girl, I know your pain
And it hurts so deep
I've been there before
But baby, you will see

That we've all been hurt
We've had our falls
Better to have loved
Than not have loved at all

Oh girl, I know
In life things change a lot
But you see, that's life
And that's what life's about

But there's more fish in the sea
You can bet your last dollar
Please believe me
I know you will go on

Girl, I know your pain
And it hurts so deep
I've been there before
But baby, you will see

That we've all been hurt
We've had our falls
Better to have loved
Than not have loved at all

Girl, I know your pain
And it hurts so deep
I've been there before
But baby, you will see

That we've all been hurt
We've had our falls
Better to have loved
Than not have loved at all

Girl, I, I know
Know what you're feeling
I know what you're feeling
Deep inside, deep inside

It will all
It will all fade away, away
Baby, it will pass
Baby, it will pass you by, you by
Oh please, believe me, baby

Girl, I know your pain
And it hurts so deep
I've been there before
But baby, you will see

That we've all been hurt
We've had our falls
Better to have loved
Than not have loved at all

Girl, I know your pain
And it hurts so deep
I've been there before
But baby, you will see

That we've all been hurt
We've had our falls
Better to have loved
Than not have loved at all

Girl, I know your pain
And it hurts so deep
I've been there before
But baby, you will see

That we've all been hurt
We've had our falls
Better to have loved
Than not have loved at all
