R.L

yeah this is for my brothers in the hood
and the high risers, on the mansions with the maids
we gotta come together, come on yâ´all
Case, Ginuwine, Tyrese and me R.L.
help me sing it falles, yeah

CASE

Iâ´m sitting here alone
trying to face another day
gotta stay stong, hmm
to endure this pain

R.L.

Iâ´m dealing with right now
it flipped my whole life upside down
i donâ´t want your help
i dÃ³nâ´t need your sympathy, no

ALL

what can a brother do for me?
(see he can help you up when you are down)
what can a brother do for me?
(he can be your eyes when you can't see)
what can a brother do for me
(he can help you be the best man i can be)
(oh i can be, i can be, oh i can be, i can be)
he can help me be the best man i can be
(oh yeah, yeah, yeah)

TYRESE

(be the best man)
i made a big mistake
and iâ´m feeling so ashamed
and i donâ´t want to lose my friendship over it
iâ´ve gotta keep the faith, yes i do

GINUWINE

cause iâ´m still your boy. iâ´ve got your back
thatâ´ll never, never, never. never gonna change
so i can just cite the truth
and keep smiling in your face

ALL

what can a brother do for me?
(he can help you up when you are down)
what can a brother do for me?
(he can be your eyes when you can't see)
what can a brother do for me?
(he can help me be the best man i can be)
(i can be,i can be,oh i can be,i can be)

TYRESE

i keep struggling but iâ€™m trying my best
i got to face this with my own confidence
lord help me to forgive and forget
can you please help me to be a better man?!

R.L.

for the rest of the darkest nights
shines the brightest sun
i ain't the man i used to be
iâ€™m better than before

ALL

what can a brother do for me?
(he can help you up when you are down)
what can a brother do for me?
(he can know the wrong to make it right)
what can a brother do for me?
(he can be your eyes when you can see)
he can help me be the best man i can be
(i can be,i can be,i can be,i can be)
he can help me be the best man i can be
(i can be,i can be,i can be,i can be)
he can help me be the best man i can be
(i can be,whoa i can be,oh i can be,oh i can be)
help me be the best man i can

CASE

cause heâ€™s my brother,brother,brother,brother
yes heâ€™s is my brother,brother,brother,brother

Tyrese

sees when iâ€™m down on my luck and
Car ain't running, women done left me
i ain't got nothing and itâ€™s cold outside
heâ€™ll give me a ride
when itâ€™s late at night
cuz heâ€™s my brother,brother,brother,brother
see sometime i might go astray but heâ€™ll lead me
back the right way
and tell me everythingâ€™s okay
