VERSE 1

Oh girl I know
It feels like you're alone
But more have gone
Through the same thing
The pain I know
It seems too much to bare
Time heals wounds
I know it don't seem fare

CHORUS

Girl I know your pain
And it hurts so deep
I've been there before
But baby you will see
That we've all been hurt
We had our falls
Better to have loved
Than not have loved at all

VERSE 2

Oh girl I know
In life things change a lot
But you see that's life
And that's what life's about
But there's more fish in the sea
You can't bet your last dollar please believe me
I know you will go on

CHORUS

Girl I know your pain
And it hurts so deep
I've been there before
But baby you will see
That we've all been hurt
We had our falls
Better to have loved
Than not have loved at all

Girl I know your pain
And it hurts so deep

I've been there before

But baby you will see
That we've all been hurt
We had our falls
Better to have loved
Than not have loved at all

BRIDGE

Girl I know what you feeling deep inside
I will all fade away
Baby it will past you by

CHORUS

Girl I know your pain
And it hurts so deep
I've been there before
But baby you will see
That we've all been hurt
We had our falls
Better to have loved
Than not have loved at all

Girl I know your pain
And it hurts so deep
I've been there before
But baby you will see
That we've all been hurt
We had our falls
Better to have loved
Than not have loved at all

Girl I know your pain
And it hurts so deep
I've been there before
But baby you will see
That we've all been hurt
We had our falls
Better to have loved
Than not have loved at all
