I used to watch football on Monday,
I used to hit the bar Tuesday,
I used to hit the club on Friday,
Ridin' on the highway with my boys beside me
Until I met my new best friend,
All of my boys say I'm trippin',
When they call I'm not answerin',
They always get my voicemail cause I'm

Busy, whenever I get with her
I'm busy and I'm a hityou later
Cause I'm busy busy busy with her
Yeah she my homie, yeah she my friend
Yeah she my lover and we get it in
That's why I'm busy
Might not see me for a while
Because I'm busy, busy, busy

Now me and her play Twister on Tuesday,
Now dinner and movies every Thursday,
Now I cater to you daily
Can't nobody make me feel like my baby, I
Until I met my new best friend,
All of my boys say I'm trippin',
When they call I'm not answerin',
They always get my voicemail cause I'm

Busy, whenever I get with her
I'm busy and I'm a hityou later
Cause I'm busy busy busy with her
Yeah she my homie, yeah she my friend
Yeah she my lover and we get it in
That's why I'm busy
Might not see me for a while
Because I'm busy, busy, busy

It's crazy just to think about
How I used to be without her,
I still get out every now and then
But I'd rather be with her and tell them that I'm

Busy, whenever I get with her

I'm busy and I'm a hityou later
Cause I'm busy busy busy with her
Yeah she my homie, yeah she my friend
Yeah she my lover and we get it in
That's why I'm busy
Might not see me for a while
Because I'm busy, busy, busy
