â€¡I saw your teen page spreading
Sports illustrated girl I like what I see
So, I have to call you up
so we can have a private party
Can't wait to hook up, to satisfy this fantasy
Meet me at the Trump towers baby
Pick up your key and come up to the top sweat, yeah!

Chorus:

Leave your clothes at the door
Come to me, girl, the front way is yours!
I'mma gonna have you, and never pause
You gonna be my cover girl, under the.. girl!
Wanna lay, wanna lay you down so you can feel this
shot
Wanna see your face expression, so keep it hot
Top model on top, your body so hot
Thank you for lacing my..

This is better than the time I saw youâ€¡
Even better than the time you shot my last video
Every angle, every close-up
Ain't nothing negative, got you on digital
.. now you're back against this wallpaper
Fantasy is so real, yeah
The age didn't give you the clearest picture baby

Chorus:

Leave your clothes at the door
Come to me, girl, the front way is yours!
I'mma gonna have you, and never pause
You gonna be my cover girl, under the.. girl!
Wanna lay, wanna lay you down so you can feel this
shot
Wanna see your face expression, so keep it hot
Top model on top, your body so hot
Thank you for lacing my..

Oh, I know this private party is gotta come to an end
I'm a prisoner to this dream,
and I don't want it to happen again

All night I loveâ€!
But things would be this good, this good
So before we go, let's do it again!

Chorus:

Leave your clothes at the door
Come to me, girl, the front way is yours!
I'mma gonna have you, and never pause
You gonna be my cover girl, under the.. girl!
Wanna lay, wanna lay you down so you can feel this
shot
Wanna see your face expression, so keep it hot
Top model on top, your body so hot
Thank you for lacing my..
