My whole life has changed
(My whole life has changed)
Since you came in
(Since you came in)
I knew back then
(I knew back then)

You were that special one
(You were that one)
I'm so in love
(So in love)
So deep in love
(So deep in love)

You made my life complete
(You complete me)
You are so sweet
(Are so sweet)
No one competes
(No one competes)

Glad you came into my life
(My life)
You blind me with your love
(Love)
With you I have no sight
(Yeah)

Girl you open me, I'm wide open
(Uhh)
And I'm doing things I never do
But I feel so good, I feel so good
(Yeah)
Why'd it take so long for me finding you?

This is my story and I'm telling you
(C'mon, that's right)
It's not fiction, it's surely a fact
(Yes)
Without you right here having my back
(C'mon)
I really don't know just where I'd be at

My whole life has changed
(My whole life has changed yeah)
Since you came in, I knew back then
(Ooh, oh, yeah)
You were that special one
(You were that)
I'm so in love, so deep in love

You made my life complete
(You made made my life complete)
You are so sweet, no one competes
(Oh oh oh)
Glad you came into my life
(Ooo)
You blind me with your love
With you I have no sight

I analyzed myself, I was buck wild
(Yeah, c'mon)
Never thought about settling down
But all the time I knew I was ready
(Yeah)
But not with all my friends around

But girl, I put you first now
(I put you first now)
You made me, helped mold me
(Helped mold me, baby)
Turned me into a man, I'm so responsible
(Yeah)
And I owe it all to you

My whole life has changed
(My whole life has changed)
Since you came in, I knew back then

(Come on)
You were that special one
(You were that special one)
I'm so in love, so deep in love
(Oh, oh, oh)

You made my life complete
(You made my life complete)
You are so sweet, no one competes
Glad you came into my life
(So glad you came in)
You blind me with your love
(Blind me, baby)
With you I have no sight

(God's blessed me)
God has blessed me, baby
God was good to me when He sent you
(I'm so happy)
I'm so happy, I'm so happy, baby, oh, yes, I am
(So happy, can you feel me?)

(Share my world)
Come and share my world, baby
(Share, share)
Oh, whoa, yeah, yeah
(I'm so in love)
I'm so in love, I'm addicted to your love, baby, yeah

My whole life has changed
(Oh, yes, I am)
Since you came in, I knew back then
(Ooh)
You were that special one
(You were that very, very special one)
I'm so in love
(You were that very, very special one)
So deep in love

You made my life complete
(You made my life complete)
You are so sweet
(Yes, you did, baby)
No one competes
(No one competes, oh)
Glad you came into my life
You blind me with your love
(Come on)
With you I have no sight

My whole life has changed
(My whole life has changed)
Since you came in, I knew back then
(You made a difference in my life)
You were that special one
(I knew you were that special one)
I'm so in love, so deep in love
(When I first laid eyes on you, babe)

You made my life complete
(You made my life complete, darlin')
You are so sweet, no one competes
(No one competes, baby)
Glad you came into my life
(No one, no one)

You blind me with your love
(No one)
With you I have no sight
(Come on)

My whole life has changed
(Oh, whoa, whoa, whoa)
Since you came in, I knew back then
