Ooh who keep callin' you
Boy I ain't scared of you, no no
You see I got your number
Tell me who you snuck and gave your number to

Ooh your trippin' now, girl quit fussin' now, no
You can't go jumpin' to conclusions
It's ringin' but that doesn't mean I've been cheating
does it
Not right now

Not right now I'm busy, call me in the mornin'
Your telephones awful busy, they keep callin' in the
mornin'
That was your final warning, don't call me in the
mornin'

Who keeps buggin' you, did you get
Or who's been lovin' you
Tell me are you, are you that somebody?
Or is it you've been lovin' on somebody else

Woo what the hell you talkin' 'bout?
Could you put that finger down
I'm always gonna be the same ol G
Are you leaving or staying with me?
Now tell me, tell me

Not right now I'm busy, call me in the mornin'
Your telephones awful busy, they keep callin' in the
mornin'
That was your final warning, don't call me in the
mornin'

So who keep buggin' you tell me
So who keep buggin' you oh oh oh
So who keep buggin' you tell me
So who keep buggin' you oh oh oh

So who keep buggin' you tell me
So who keep buggin' you oh oh oh
So who keep buggin' you tell me

But who keep buggin' you oh oh oh

Not right now I'm busy, call me in the mornin'
Your telephones awful busy, they keep callin' in the
mornin'
That was your final warning, don't call me in the
mornin'

Not right now I'm busy, call me in the mornin'
Your telephones awful busy, they keep callin' in the
mornin'
That was your final warning, don't call me in the
mornin'

Not right now I'm busy, call me in the mornin'
Your telephones awful busy
