You think you know but you have no clue
No idea
You don't know G
I mean you really really don't Know G

N****s get ready it's time to explore
The world of the real one
N****s get ready
N****s get ready it's time to explore
The world of the real one
N****s get ready

Hell Yeah ya better get ready
What's cracka lackin
It's the big dog
I'm in the hizzle with my nizzle Gin U izzle
And I mean from playa to playa
It's only right if I gots to pass the throne
I gots to pass the throne
I gots to pass it to my nephew G
He's bonafide, Qualified, and the ladies would
definitely testify
Matter fact G
Holla at them Nephew

Fa Sho
Pass the Hennessey
I'm about to get bent
Toss the box of blunts
Let me roll the upper lip
Don't make me pop thangs
Cause I gets off the chain
You don't know me
But you're bout to
It's the real me
And I thought you knew

N****s get ready it's time to explore
The world of the real one
N****s get ready (he coming at you full speed baby,

but with a slow motion twist)
N****s get ready it's time to explore
The world of the real one
N****s get ready
N****s get ready

I mean I mean Ginuwine is so official
Like a referee with a whistle
Better yet like a gangsta with a pistol
So you n****s bettter get ready
Yeah I know
Matter fact G

Give it 'em doggy style
I know they ain't ready but they got to get ready
You do you I do me
And we keep it like a G
Pass me that Hennessey
Fa Sho

N****s get ready it's time to explore
The world of the real one
N****s get ready (oh yeah and me, I'm right with it, I'm
ridin shotgun)
N****s get ready it's time to explore
The world of the real one
N****s get ready
N****s get ready

Pass the Hennessey
I'm about to get bent
Toss the box of blunts
Let me roll the upper lip
Don't make me pop thangs
Cause I gets off the chain
You don't know me
But you're bout to
It's the real me
And I thought you knew

N****s get ready it's time to explore
The world of the real one
N****s get ready
(I'm a show ya, I'm a let ya in so you better get ready)
N****s get ready it's time to explore
The world of the real one
N****s get ready

N****s get ready it's time to explore
The world of the real one
N****s get ready

(now it's about time to show you me, so I'm gonna show
you me, so I'm gonna show you G)
N****s get ready it's time to explore
The world of the real one
N****s get ready

And you graduatin with honors nephew
And that's from the top dolla with honors and scholars
