G's got a thang for you
Sure nuff got a thang for you
Girl i got a thang for you
Sure nuff got a thang for you
He's got a thang for you
Sure nuff got a thang for you
Girl i got a thang thang thang for you

'cause ur the kinda killer shorty
Kinda keep it real shorty
Gotta keep it real
'cause ur kinda sexy shorty
You keep all the fellas wanting
'cause ur kinda classy something
Tell me how can i get with you

Listen baby, check it out
Thinking back, was a Friday
Once upon a scene
When to my left, felt this beauty queen
The finest thing u ever wanted to see
Stacked like some pancakes yall, i mean she was mean
And so I'm thinking to myself
How fine can ya get
Shaped like a figurine, no i never will forget
So i turned around, and i made a u
Any man with 2 eyes would do the same thang too

She was honeysuckle, tantalizing
Finger licking appetizing
She was so fine, I didn't know what to do
G's gon' get to you (?)

(chorus)

There she was
Rolled up on her while she walked
Starting spittin game, 'cause u know I was outta sunk
(?)

You could see she had body and oh so much class
And you know how G likes it

Stackin' with a phat ass
And she knew, she was the finest thang in sight
Bad news, she had a man
Good new, he don't do right by her
So intoxicating she was with every look
'cause being the man that i am

She was honeysuckle, tantalizing
Finger licking appetizing
She was so fine, I didn't know what to do
G's gon' get to you (?)

G's got a thang for you
Sure nuff got a thang for you

(Chorus)

Oooh ooh yaaaa baby
You look so good to me
Oooh how can i, be ya man
You know what, ur so fine (so fine)
Such a fine thang (fine thang)
Such a sexy thang (um)
Gotta have u hear with me
Wanna be ur man, in every way i can
I don't know what to do

I'm goin crazy over you

(repeat chorus w/ ad lib's)
