Uh, Wooo, ooh

{Refrain:}

Have you ever seen the thug in the club with a bottle
turned up
Head bobbin' like hell, yeah
Have you ever seen the chick in the club with a drink in
the cup
Booty shakin' like hell, yeah
Have you seen those Big Tymers pull up in the front of
the club
24s like hell, yeah
Have you ever seen 50 thousand strong with their
hands in the air
Up and down like hell, yeah

Baby
So fresh, so fly, so sweet, so polite
So much, too many, but we ridin' tonight
Well, it's that pimp talk that ain't that pimp walk
It's big pimpin' over here, player, that just started

See, we fresh with Air Ones, Lexus and big drums

Ginuwine
Chips, Willie Chicks, Willie crisp, big fun

Baby
Ma, you worry none, the minks come with the guns
Prada, the Gucci, it's all in Bird fun

Ginuwine
I'm sittin' in my truck, snakin' the club out
Kill this sip then go wild the fuck out
Up in the club with my hands in the air
There's so much shit in the atmosphere
So girl, quit frontin' and get you're ass over here
And get yourself a cup of this Crown and Belvedere
I'm all off in the corner 100 honeys takin' pics
They be in the VIP with lots of chicks
I'm pimped out now, low cut, and a pick

G and Big Tymers together, that's what I'm talkin'

{au Refrain}

Ginuwine

So fresh, so clean, so shiny, on a beam

Girl, you're so mean, why you're doin' a damn thing

Any more room for me in those jeans

Uh-huh, uh-huh

We got so many rooms in the Swiss like we were Swiss
sailors

Mami, givin' me head like she's a brain doner

A pool party in my crib at the Daytona

Hosted by Sonia and Monya, ooh

Baby

Mami, walkin' up the beach, so fly, so neat

It's me and Ginuwine, 23s on our feet

Say mami, you look good, mami, you're so fly

You need a D-Boy, come over here and get superfly

{au Refrain}

Ginuwine

Said we love them cars and we love them chicks

And we love them parties and we love that Cris'

And we love them houses and we love that ice

And when we rollin' through your hood we love to shoot
that dice

{au Refrain, x2}
