way there's nothing left for me to say but i love you

way there's nothing left for me to say but i love you

So promise me you'll never leave you'll never say this is

and my best friend raise a family something we both

way there's nothing left for me to say but i love you
i love you more everyday you show me love in every
way there's nothing left for me to say but i love you

the reason why your the reason why i smile
And i wont stop holding you and i wont stop loving you
