Keep it out  
Can't believe you're gone  
Can't believe you're gone

What did I do the deserve this pain  
I'm crying out  
I'm so alone without you here  
What's this about?

What did I do the deserve this pain  
I'm crying out  
I'm so alone without you here  
What's this about?

I can't go on  
I need you here right next to me  
My life ain't complete  
I'm dying inside I feel so weak  
I'm pouring out my heart to you  
Feel my pain it hurts so deep  
There's no need to go ahead  
My life is gone, I'd rather be dead

What did I do the deserve this pain  
I'm crying out  
I'm so alone without you here  
What's this about?

What did I do the deserve this pain  
I'm crying out  
I'm so alone without you here  
What's this about?

I'm still amazed  
Despite everything I still have love  
What's keep the feelings deep within in me  
I thought they'd be easy to get rid of  
There's no one I'm wanting more  
You're the reason why I leave, girl  
I'd give anything just to have you girl  
'Cuz you make you whole, you are my world

What did I do the deserve this pain  
I'm crying out  
I'm so alone without you here  
What's this about?

What did I do the deserve this pain  
I'm crying out  
I'm so alone without you here  
What's this about?

Can't believe you're gone  
Are you coming back?  
Tell me what I've done  
But I love you so  
Can't believe you're gone  
Are you coming back?  
Tell me what I've done  
But I love you so

What did I do to deserve this pain  
I'm crying out

{Hello baby  
Why you got my man cryin' out?  
What did you say  
That's not a nice thing to do  
You know, he loves you  
But you know what?  
I love you too  
So don't hurt him baby  
What  
What  
What's this about?}

What did I do the deserve this pain  
I'm crying out  
I'm so alone without you here  
What's this about?

What did I do the deserve this pain  
I'm crying out  
I'm so alone without you here  
What's this about?

What did I do the deserve this pain  
I'm crying out

I'm crying out
