There's a few things relevant
To Mans thoughts that needs to be said
Controversial thoughts keep fogging my head
In an instinct, if a man is not equipped with the proper
mindset
Please don't be mad ladies
This is something we are born with
And on a daily we fight for the right mindset
We love you, with everything in us
But sometimes the fight is overwhelming
It gets to be too much to bare, we fall
But with a strong determined mind the battle is sure to
be won
And the outcome is to be what is promised to us all,
and that's peace
This is a fact

And this is Mans Thoughts,
Yeah, yeah

This is the truth

Stay, stay, stay... one time for love.
