There's a few things of element
To a man's thoughts that needs to be said
Controversial thoughts can fog a mind, in an instant
If a man is not equip in the proper mindset
Please don't be mad ladies
It's something we're born with
And on that day that you fight, for the right mindset
We Love you, with everything in us
But sometimes the fight is overwhelming
Its gets too much to bear and we fall
But with the strong determined mind, the battle is sure
to be won
And the outcome is to be what is promised to us all
And that's peace.
This is a fact
And this is a man's thoughts
Yeah
Yeah
This
Is the truth
Stay (stay)
Stay
Stay one time for love
