You put pressure on me, anyway you wanted me  
I was there for you undeniably  
Time over and time again, you shut me out  
I thought I was your man, I kept it real with you  
But you was fake with me

As I close my eyes I start thinking things  
Is this love real love? And all that it brings  
When I close my eyes only you I see  
With another man, this is killing me

I am your man but only when ur lonely  
If I was to bounce, that's when you'd want me  
I am your man but only when ur lonely  
You say it's not the same but I love'd you only, yeah

My heart got broken when my heart got opened  
Repeatedly you said you needed me, you cheated me  
I'm tired of being all alone since you  
won't call me on the phone  
I've got it together, now I'm gone, long  
gone, listen

As I close my eyes I start thinking things  
Is this love real love? And all that it brings  
When I close my eyes, only you I see  
With another man, this is killing me

I am your man but only when ur lonely  
If I was to bounce, that's when you'd want me  
I am your man but only when ur lonely  
You say it's not the same but I love'd you only

I'm far gone, no more using me  
You won't hurt me  
I can't let that slide  
No more using me, you won't hurt all my pride

I am your man but only when ur lonely  
If I was to bounce, that's when you'd

want me  
I am your man but only when ur lonely  
You say it's not the same but I love'd you only, ooh

Ooh, all about, thatÃ¢â€Œ™s means if I wanna leave  
You would want me  
Every single night, baby  
Listen

I am your only man, every night, every morning  
Right by my side, cÃ¢â€Œ™mon and call me  
Why you wonÃ¢â€Œ™t come back?  
You tell me you're busy baby

If it's like that wonÃ¢â€Œ™t you let me know?  
WonÃ¢â€Œ™t you let me know baby?  
CÃ¢â€Œ™mon, you can be real with me  
If I can get real with you

All I want is the real baby  
All you gotta do is call out my name  
You know I Ã¢â€Œ™ll be there for you  
You keep me running

Ooh, baby you got me sprung  
Baby, donÃ¢â€Œ™t have to think about it  
All you gotta do is think of me  
Think of Ginuwine and IÃ¢â€Œ™ll be right there for  
you, ooh, baby

Only when ur lonely
