Check me out, baby

Tell me do u wanna go home with me  
Tell me do u wanna come creep with me  
Tell me do u wanna get wild with me  
Tell me do u wanna go home

Tell me do u wanna go home with me  
Tell me do u wanna come creep with me  
Tell me do u wanna get wild with me  
Tell me do u wanna go home

The dance floor is jumpin', the music is pumpin'  
I'm checkin' out your grooves 'bout to make my moves  
'Cross this crowded room 'cuz I'm scopin' you

I'm feelin' confident, I just came from the bar  
Sick of wondering who the hell you are  
'Cuz I'm wanting you, what a nigga gotta do?

Tell me do u wanna go home with me  
Tell me do u wanna come creep with me  
Tell me do u wanna get wild with me  
Tell me do u wanna go home

Tell me do u wanna go home with me  
Tell me do u wanna come creep with me  
Tell me do u wanna get wild with me  
Tell me do u wanna go home

You wanna have some fun, come ride with me, let's  
chill  
I'll take you to a place, and both of us get ill  
'Cuz I'm feelin' you, just tell me what to do, baby

Take my hand, let's go, that's all I wanna do  
Fellaz wondering, how I stuck with you  
'Cuz my game was tight, everything turned out right  
that night, tell me

Tell me do u wanna go home with me  
Tell me do u wanna come creep with me

Tell me do u wanna get wild with me  
Tell me do u wanna go home

Tell me do u wanna go home with me  
Tell me do u wanna come creep with me  
Tell me do u wanna get wild with me  
Tell me do u wanna go home

I'll break you off till the sun comes up, baby  
Come and get this thing, girl  
Won't tell a soul, it's down low, trust me  
I'll give you what you want baby

Let's go get freaky cuz I'm in the mood, get nasty  
Get wild on my side, baby  
Wanna get in where I fit in, baby, baby  
Tell me do u wanna go

Tell me do u, tell me do u  
Tell me do u, tell me do u  
Tell me do u, tell me do u  
I gotta have you all to myself

Tell me do u wanna go home with me  
Tell me do u wanna come creep with me  
Tell me do u wanna get wild with me  
Tell me do u wanna go home, yes I do

Tell me do u  
Tell me do u  
Tell me do u
