August no clue 2002  
I didn't see it coming  
even when I came  
I got what I asked for  
3000 miles and no more  
wondering if I need a change  
ain't it strange

Is this hollywood  
cause I feel a bit displaced  
but I kind of like it oh  
and I just know its gonna be good  
I've already decided yea  
I wouldn't leave it if I could  
disoriented as I am  
is this is this Hollywood

The waitress knows my story  
cause I'm here every single morning  
she calls you new york  
though I tell her your long gone oh  
and your easy to forget  
how lucky can a girl get  
the out of sight works like a charm  
aint I strong

Is this Hollywood  
'cause I feel a bit displaced  
but I kind of like it oh  
and I just know its gonna be good  
I've already decided yea  
I wouldn't leave it if I could  
disoriented as I am  
is this is this is this Hollywood

And you know its only time  
'cause I can always change my mind, okay  
I can come and I can go  
and that's all that I need to know today... yeahh

Oh yeah oh hey

Cause I feel a bit displaced  
and I kind of like it oh  
and I just know its gonna be good  
I've already decided yea  
I would't leave it if I could  
oh is this Hollywood  
is this Hollywood  
and my eyes are buggin yea  
I've got a brand new neighborhood  
that I'm really lovin yea  
I would't leave it if I could  
disoriented as I am
