G-Wine, Saint Nick  
Like this

You got that look in your eyes  
I know that only means one thing, thing, thing, thing  
You must be reading my mind  
'Cause I've been thinking of the same thing, thing,  
thing

Before we start tonight  
Can we do something different, can we use our  
imaginations?  
I'll be another guy  
You can be another woman, wait, there's an idea  
I'm a criminal and, girl, you're gon' get

Kidnapped  
I'mma dress some like old robber and wear all black  
Nobody's gonna find out where I hid you at  
You'll get abducted and be my hostage  
Let's play a game tonight  
(I just wanna take you there)

Blindfolds, no lights on  
In here, in here, in here, you and me, in here  
And I'm touching you in ways  
That I'm wanting to, wanting to, I'm warning you

Before we start tonight  
Can we do something different, can we use our  
imaginations?  
I'll be another guy  
You can be another woman, wait, there's an idea  
I'm a criminal and, girl, you're gon' get

Kidnapped  
I'mma dress some like old robber and wear all black  
Nobody's gonna find out where I hid you at  
You'll get abducted and be my hostage  
Let's play a game tonight

Never gonna let you go

I don't care how much they pay me, pay me, pay me,  
pay me, pay me  
Grab the camera, set the scene  
Come on, girl, let's make a movie, movie, movie, movie

And, girl, you're gon' get kidnapped  
I'mma dress some like old robber and wear all black  
Nobody's gonna find out where I hid you at  
You'll get abducted and be my hostage  
Let's play a game tonight

Kidnapped  
I'mma dress some like old robber and wear all black  
Nobody's gonna find out where I hid you at  
You'll get abducted and be my hostage  
Let's play a game tonight
