Ooh yea, ooh yea
Ooh yea, listen
If this your favorite song
Turn your radio on
Play it for your man or your lady all day long
If this your favorite song
Turn your radio on
Play it for your man or your lady all day long

It's amazing babe
How I let it go
On and on
For so long
You blaming me, I'm blaming you
I can't say you're right
But I sure aint wrong
Girl lately I
I've been thinking
And my thoughts are telling me
I'm tripping
Used to say I didn't care
Found your bags packed upstairs
With all that talking tough
I'm bout to lose you

If this is my last chance to love you
I'm gonna play it like a grown man ought to
If I only got one shot to win you
Then call me Jordan 4th quarter in 92, yea
I'm gonna do it
No matter what your girlfriend said
I'm gonna do it
Believe me baby talking bout the kinda change
I'm gonna do it
From a boy to a man
Like barack and his plan
I'm gonna do it
If this is my last chance

Girl the things I said
I can't believe it
But I swear to god I didn't mean it

But it takes a lot for me to admit I'm wrong
But I'll do whatever to save my home cause
I can't go back, back and forth, in and out, out the door
Don't wanna fuss and fight no more
Don't give a dam about the score
Cause I'm, I'm a different kinda man
I'm the kind that understands what I got inside my
hands
So baby

If this is my last chance to love you
I'm gonna play it like a grown man ought to
If I only got one shot to win you
Then call me Jordan 4th quarter in 92, yea
I'm gonna do it
No matter what your girlfriend said
I'm gonna do it
Believe me baby talking bout the kinda change
I'm gonna do it
From a boy to a man
Like barack and his plan
I'm gonna do it
If this is my last chance

Sometimes I try to front like it don't matter
If you leave or stay
Like I can find better
But the truth be told I know that you're the one
Girl it's plain to see that, I aint nothing without ya
And it seems like every song on the radio is about ya,
girl
So stay on home
Where you belong
So I can try to make some right out this wrong

If this your favorite song
Turn your radio on
Play it for your man or your lady all day long
If this your favorite song
Turn your radio on
Play it for your man or your lady all day long
If this your favorite song
Turn your radio on
Play it for your man or your lady all day long
If this your favorite song
Turn your radio on
Play it for your man or your lady all day long

If this is my last chance to love you
I'm gonna play it like a grown man ought to
If I only got one shot to win you

Like barack and his plan
I'm gonna do it
If this is my last chance
