Welcome y'all
Mmm Mmm Mmm
I'm back 1 more 'gain
Now what's my name y'all?
Could it be Little man joined with the Timbaland?
Could it be Ginuwine joined with the Timbaland?
Yo Yo Yo, everybody!
Whatchu said whatchu said
Whatchu need whatchu need
Whatchu want whatchu want
Timbaland's beat Timbaland's beat
Whatchu said whatchu said
Whatchu need whatchu need
Whatchu want whatchu want
Timbaland's beat Timbaland's beat (repeat 7 more
times)
It's the year 2 G
Little man is coming to you on Ginuwine's album
Hahaha
I don't think it's in stores yet
'Cause the stores are not ready for this album
He's not the bachelor no more

He's 100%
100%, 100% Ginuwine
And the man who's doing this beat, his name is
Timbaland
And no Little Man is not Timbaland
Little Man is somebody else
Wouldn't y'all like to know
Now, we must ride and I want every female and every
brother out there huh
Bounce with me uh huh bounce with me uh huh bounce
with me uh huh bounce with
me
uh huh bounce with me
Yeah
Now, let's do something different
I'm gonna do something different {Funny Laugh}
