Aaa, aaa, haa  
(I can't see you, see you, haa)  
Aaa, haa, haa  
Now put your hands up, aaa, haa  
(I can't see you, see you, haa)  
Aaa haa, haa  
Let me tell you some' like this, one

Lookin' for my number one fan  
(Where you were?)  
I know she's somewhere in the stands  
(Aah)  
Let me see you wavin' your hands  
(Where you were? Come on)  
I can't see you  
Wave a little more if you can  
(Aah)  
Where's my number one?  
(What am I up?)  
I'm lookin' for my number one fan  
(Aah)  
I know she's somewhere in the stands  
(Aah haa)  
And we'll be doin' more than shakin' hands  
(Aaa haa haa)  
I can't see you  
Wave a little more if you can  
Where's my number one?

I've seen every picture you sent  
I've read every letter you wrote  
And everytime they play my song  
You sing it ba', yo, ba'  
(Note by note)  
I wonder what you do to me  
(Aah)  
If you were to see me in the streets  
(If you were to see me in the streets)  
Well, darlin' I would like to see  
(Aah)  
Be at my show waitin' for me  
(Waa)

I'm lookin' for

Lookin' for my number one fan

(Ooh yea)

(What?)

I know she's somewhere in the stands

(Aah)

Let me see you wavin' your hands

(Say what?)

I can't see you

Wave a little more if you can

Where's my number one?

(Say what?)

Lookin' for my number one fan

I know she's somewhere in the stands

And we'll be doin' more than shakin' hands

(Shakin' hands, shakin' hands)

(Oh)

I can't see you

(Waa waa)

Wave a little more if you can

Where's my number one?

Well, my East Coast ladies

(I can't see you)

Get money lady, what?

Independent ladies

All my West Coast ladies

(I-I-I can't see you)

Get money ladies

Say what?

I hear you everytime you scream

I put it on you in your dreams

(Dream)

I'm hangin' on your bedroom wall

I see you when you ain't wearin' nothin' at all

Then sometimes you look at me

When you be feelin', oh freaky

(When you be feelin', oh freaky)

And you'll be somewhere where were we

Get somewhere where I can see

Woo ooo ooo

(Aah)

Lookin' for my number one fan

I know she's somewhere in the stands

(No, somewhere out there)

Let me see you wavin' your hands

I can't see you

(Shakin' hands, shakin' hands)

Wave a little more if you can  
Where's my number one?  
(Oh, yea)  
Lookin' for my number one fan  
(Hmm, no)  
I know she's somewhere in the stands  
(Aah, aah)  
And we'll be doin' more than shakin' hands  
(Shakin' hands, shakin' hands)  
(Say what?)  
I can't see you  
Wave a little more if you can  
Where's my number one?  
(Oh, oh)  
(Come on man)

I can't see you  
(Aah)  
Where they at?  
There they go  
(Come on man)  
Over there  
Over here  
(Where is my number one, lady?)  
I-I-I can't see you  
Where they at?  
There they go  
(Come on)  
Over there  
(Come on)  
Over here  
(Come on now)  
I can't see you  
Where they at?  
There they go  
(Come on now)  
Over there  
Over here  
(Where is my number one, lady?)  
(Come on)  
I-I-I can't see you  
Where they at?  
There they go  
Over there  
(My friend, ahh)  
Ooo

Lookin' for my number one fan  
(Where is my number?)  
I know she's somewhere in the stands  
(Aaa haa)

Let me see you wavin' your hands  
(Say what?)  
(Where you are?)  
I can't see you  
Wave a little more if you can  
Where's my number one?  
(So you are arriving)

Lookin' for my number one fan  
(So you are arriving in the place)  
I know she's somewhere in the stands  
(In the front)  
And we'll be doin' more than shakin' hands  
(Where you are? We'll be doin')  
I can't see you  
Wave a little more if you can  
(Wave a little more)  
Where's my number one?  
(If you want me baby)

Let shout lady  
Get money lady  
(Ooh, where is the number one, babe?)  
Aah  
East Coast ladies  
Get money ladies  
(I am just looking)  
Aah  
I can't see you  
West Coast ladies  
Independent ladies  
(Where is the number one, babe?)  
Aah  
All my little friends  
(Where is my number one?)  
(Where is it?)

Looking for my number one fan  
I know she's somewhere in the stands  
(Ooh, missing)  
Let me see you waving your hands  
I can't see you  
Wave a little more if you can  
(I have been looking)  
Where's my number one?  
(I have been searching)

Lookin' for my number one fan  
(Lookin' for my number one fan)  
I know she's somewhere in the stands  
And we'll be doin' more than shakin' hands

(Lookin' for my number one)  
I can't see you  
(Lookin' for my number one fan)  
Wave a little more if you can  
Where's my number one  
(Ooh, Lookin' for my)  
(Ooh, missing)  
(I said I'm lookin' for my)
