It ain't none of your friends business  
Ain't none of your friends business  
What we will be doin' tonight  
We can just hang out all night or grab a bite

It ain't none of your friends business  
Ain't none of your friends business  
Whether you get sexed tonight  
Long as we protect ourselves and do it right

It ain't none of your friends business  
Ain't none of your friends business  
We can just go to the park  
And lay there till after dark at the park

It ain't none of your friends business  
Ain't none of your friends business  
We can go to the movies girl  
'Cause tonight it's all your world, baby girl

Tell your friends, back off of us  
( 'Cause they're in our business and shit)  
'Cause they were the same ones, who hooked us up  
(But now they are jealous and shit)

'Cause they see we are living, ghetto fabulous  
(And they just can't deal with that shit)  
But I don't give a damn, long as it's me you trust  
( 'Cause I can't get down with your clique)

It ain't none of your friends business  
Ain't none of your friends business  
What we will be doin' tonight  
We can just hang out all night or grab a bite

It ain't none of your friends business  
Ain't none of your friends business  
Whether you get sexed tonight  
Long as we protect ourselves and do it right

It ain't none of your friends business  
Ain't none of your friends business

We can just go to the park  
And lay there till after dark at the park

It ain't none of your friends business  
Ain't none of your friends business  
We can go to the movies girl  
'Cause tonight it's all your world, baby girl

Put your trust in me girl, leave your friends alone  
(They make it hard for us and shit)  
And I don't know how many guys have done you wrong  
(But I don't get down with that shit)

And I don't know how many guys who would sing a  
song  
(To show you they love you that's it)  
So let's look to the future girl 'cause babe it's on  
(Cause I can't get down with your clique)

It ain't none of your friends business  
Ain't none of your friends business  
What we will be doin' tonight  
We can just hang out all night or grab a bite

It ain't none of your friends business  
Ain't none of your friends business  
Whether you get sexed tonight  
Long as we protect ourselves and do it right

It ain't none of your friends business  
Ain't none of your friends business  
We can just go to the park  
And lay there till after dark at the park

It ain't none of your friends business  
Ain't none of your friends business  
We can go to the movies girl  
'Cause tonight it's all your world, baby girl

When I see you with your friends, under my breath  
All I can say is mmm mmm damn mmm  
When I see you with your friends, under my breath  
All I can say is mmm mmm damn mmm

When I see you with your friends, under my breath  
All I can say is mmm mmm damn mmm  
When I see you with your friends, under my breath  
All I can say is mmm mmm damn mmm

It ain't none of your friends business  
Ain't none of your friends business

What we will be doin' tonight  
We can just hang out all night or grab a bite

It ain't none of your friends business  
Ain't none of your friends business  
Whether you get sexed tonight  
Long as we protect ourselves and do it right

It ain't none of your friends business  
Ain't none of your friends business  
We can just go to the park  
And lay there till after dark at the park

It ain't none of your friends business  
Ain't none of your friends business  
We can go to the movies girl  
'Cause tonight it's all your world, baby girl

It ain't none of your friends business  
It ain't none of your friends business
