(chorus)

It ain't none of your friends business  
It ain't none of your friends business  
What we will be doin tonight  
We can just hang out all night or grab a bite  
It ain't none of your friends business  
It ain't none of your friends business  
Whether you get sexed tonight  
Long as we protect ourselves and do it right  
It ain't none of your friends business  
It ain't none of your friends business  
We can just go to the park  
And lay there till after dark  
At the park  
It ain't none of your friends business  
It ain't none of your friends business  
We can just go to the movies girl  
Cause tonight it's all your world  
Babygirl

(ginuwine)

Tell your friends, back off of us (cause they're in our  
business and shit)  
Cause they were the same ones, who hooked us up (but  
now they are jealous  
And shit)  
Cause they see we are living, ghetto fabulous (and they  
just cant deal with  
That shit)  
But I don't give a damn, long as it's me you trust (cause  
I cant get down with  
Your clique)

(chorus)

(ginuwine)

Put your trust in me girl, leave your friends alone (they  
make it hard for  
Us and shit)  
And I don't know how many guys, have done you wrong  
(but I don't get down with  
That shit)

And I don't know how many guys, who would sing a  
song (to show you they love  
You thats it)  
But lets look to the future girl, cause babe it's on (cause  
I cant get down  
With your clique)

(chorus)

(ginuwine)  
When I see you with your friends, under my breath, all I  
can say is  
Mmmm mmmm damn mmmm  
When I see you with your friends, under my breath, all I  
can say is  
Mmmm mmmm damn mmmm  
When I see you with your friends, under my breath, all I  
can say is  
Mmmm mmmm damn mmmm  
When I see you with your friends, under my breath, all I  
can say is  
Mmmm mmmm damn mmmm
