It aint none of your friends business
It aint none of your friends business
What we will be doin tonight
We can just hang out all night or grab a bite
It aint none of your friends business
It aint none of your friends business
Whether you get sexed tonight
Long as we protect ourselves and do it right
It aint none of your friends business
It aint none of your friends business
We can just go to the park
And lay there till after dark
At the park
It aint none of your friends business
It aint none of your friends business
We can just go to the movies girl
Cause tonight it's all your world

(ginuwine)

Tell your friends, back off of us (cause they're in our
business and shit)
Cause they were the same ones, who hooked us up (but
now they are jealous
and shit)
Cause they see we are living, ghetto fabulous (and they
just cant deal with
that shit)
But I dont give a damn, long as its me you trust (cause i
cant get down with
your clique)

(ginuwine)

Put your trust in me girl, leave your friends alone (they
make it hard for
us and shit)
And I dont know how many guys, have done you wrong
(but I dont get down with

that shit)
And I dont know how many guys, who would sing a
song (to show you they love
you thats it)
But lets look to the future girl, cause babe its on (cause
i cant get down
with your clique)
