[verse 1]

Keep it warm,
I'll be there,
I'll be rollin' in 'bout two or three,
I could only think,
How your body feels,
And the way it last to me,
You're like a dream,
A vivid dream,
That I don't want to wake up from,
Bring out the beast in me,
bring it out of me,
You're all I want,
You're all I need

[chorus]

Baby I'm on my way,
Girl I'm coming home,
is that body calling me,
I wanna hear you scream,
Calling out my name,
Giving just what you need
I can't picture,
me living life,
without coming home to you,
I'm so glad,
you're mine and I know this loves so true,
Girl as soon as I arrive
Get ready cause girl it's on,
Where that silky dress I like baby
baby put the red pumps on

[Chorus 2x]

[bridge 2x]

Girl I'm on my way, and I'm hor-ny,
Hope you ready girl, I want it all, Please don't fall
asleep, I'm on my way,
Baby I hope you rest it up I want it all

[(Chorus) 2X till it fades]
