Sexy(repeat 11 times)

Sensuous sexy

voluptuous

I love your confidence

When you got it

You got it

Seduce me baby

Seduce me

Just to get my attention

Sent a note and a drink

When we made eye connection

She just nodded and winked

On this note it said:

" It's Bout' time we get together

Lets dance now

Hook up later

We can do whatever"

She had Confidence

but it's all part of the game

Cos' to her who I'm with

Don't really mean a thing

She knew just what I like

And now I'm thirsty for more

Seduction

[Chorus]

{Sensuous sexy erotic}

How you workin' your body

[Oh Oh Oh Oh Oh Oh]

You gon' make me

Do It

Do It

to ya

Seduction

You thought out your best

To get me outa control, baby

The more I play around with you

Make me wanna get

Down wit cha

(down)

Down wit cha
(down)
Down wit ya
wit cha

You got my attention
What you gon' do with it?
Baby turn around
Stick it out
I wanna see it
She made the first move smooth
Intoxicatin'
She crazy
I'm fightin' not to lose control

Now I'm feeling a little tension
Don't know whose watchin'
GETTIN' BIG
In too deep
And I can't stop it
You're making it
HARD for me to stay
HARD to walk away
HARD don't wanna play no more
HARD I can't take it baby
Seduction

[Chorus]

Baby whatever you want
Girl you got it
Long as your satisfied
Cos' it's so hard to resist
Oh your body
Got me on fire
Got vivid thoughts in my mind
The positions that I'm gonna try
But is it worth all the burn
Should I risk it?
Just for one night
Once I give it
She's gonna win
Either way I lose
But I gotta have you
[rap]

I'm tryin' to chill
But she's got me on the spot
She's so cocky
And the way she watchin' me
Got me feelin' hott, uh

Shorty know that I gotta girl
And I really can't break the rules
Plus paparazzi snappin shots
And it's hard for me to shake these fools
So do I
One: put it on her
Work my way to the front
Do I
Two: Do my part
And sure don't try to pull no stunts
Or maybe
Three: Chase the cat
Cos' she's sending me on the hunt
Naw
Bunk that
I aint no punk
I'm gunna give shorty what she want!
[Watch this]
Seduction

[Chorus]
[Repeat 3 xs]
