"So Fine"

She's so fine, fine, fine
She's a dime, dime, dime
She's so fine, fine, fine
She's all mine, mine, mine

She can make you lose control, but I'm a keep it on the
low
Just to see her pretty face makes you want her (want
her)
Can't explain the way it feels, but I know the feelings
real
I can't wait to get her home so I can love her

She's so fine, fine, fine
She's a dime, dime, dime
She's so fine, fine, fine
She's all mine, mine, mine

She's the only one for me, treat her like she's supposed
to be
Love her from her head to toe, she's my boo, girl (boo
girl)
Give her everything she likes - even bought her all her
ice
Ain't nothing that I won't do 'cause I love her
She's so fine, fine, fine
She's a dime, dime, dime
She's so fine, fine, fine
She's all mine, mine, mine

Look: You'll she's the beautifulest thing to me
If you don't believe just take one look
When you do you see you will be hooked
You can't deny, she's the baddest thing and OH SO
FINE
If you don't believe just take one look
When you do, you see you will be hooked
